

OAK MÖRE

The even grey stain on this single-strip oak floor from the Småland Collection allows the warmer nuances in the wood to seep through, resulting in a calm and balanced expression. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which enhances the rustic appearance of the floor.
