

## OAK OYSTER

The blanched white finish on this single-strip oak floor from the Artisan Collection balances the naturally occurring colour variations, which range from heather grey to faded silver lavender, for a refined yet rustic effect. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic, full plank look and feel. Hand-scraping enhances the worn appearance of the floor.
