## OAK PEARL

This milky white, single-strip oak floor from the Shine Collection features a lustrous pearl shimmer, which enhances its smooth and even colouring. Four-sided micro-bevelling at the edges ensures a classic, full plank look and feel. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. The high-gloss lacquer finish adds sheen, giving the floor a polished appearance while protecting the wood from daily wear.
